A trip of a lifetime

The 2018 Electric Cooperative Youth Tour

A trip of a lifetime – an all-expense-paid tour of the nation’s capital – awaits 44 high school juniors from Arkansas this summer.

If you apply for the 2018 Electric Cooperative Youth Tour,

you might be chosen for the week-long trip to Washington, D.C. The trip, which is sponsored by the Electric Cooperatives of Arkansas and Craighead Electric Cooperative, includes tours of major sites in Washington, such as the U.S. Capitol; the museums of the Smithsonian Institution, and the Jefferson, Lincoln, Martin Luther King Jr., Vietnam, Korean and World War II memorials.

This spring, Craighead Electric Cooperative will select two high school juniors to attend the 2018 tour, which is set for June 8-14. The winners will be selected through the submission of a brief essay and interview. Applicants must be high school juniors and their parents/guardians must be members of Craighead Electric Cooperative.

The Arkansas group will travel to Washington and return to Little Rock by air. Once in Washington, the students will join about 1,700 students from across the nation who are attending the tour thanks to their local electric co-ops.

Why do we do this? The answer is simple. Craighead Electric Cooperative is committed to its members and to the communities it serves. Through the Youth Tour, we are helping Arkansas’ youth learn more about the workings of their nation’s government and the electric cooperatives, as well as develop leadership skills.

Download an application today at craigheadelectric.coop and click on the application link on the home page. The deadline for entries is April 2nd. For more information, contact Jon Carmack at jcarmack@craigheadelectric.coop or dial 870-336-4404.
